

Adopt-a-High School Community Service Project

To provide our community with well-qualified tutors, the following criteria **MUST** be met:

1. Have a "B" or better in every math course you are interested in tutoring.
2. Have a min.3.0 overall GPA and 2.7 GPA in major.

Submit this application to Dr. Min-Lin Lo (JB-318) or Math Club mail box by **2pm, Monday, October 12, 2009** (the sooner the better).

First Name: _____ Last Name: _____

CSUSB Student ID: _____ Graduate student Undergraduate

Mailing Address: _____

Phone () _____ E-Mail Address: _____

Current overall GPA: _____ Current MATH GPA: _____

Do you have any previous tutoring experience? Yes No

If so, explain. _____

Please explain your interest in becoming a math tutor. _____

Please attach an unofficial copy of your **grade report** for each course you are interested in tutoring (You can download this information from MyCoyote)

MATH CLUB
C S U S B

Please fill in the times that you are available to tutor so that we can notify the high school how many tutors they can count on per day. Remember, you will be recognized for the amount of hours you volunteer and this is also an opportunity to market yourself for an internship, Noyce Scholarship, and create a good teaching experience.

Time	Monday	Tuesday	Wednesday	Thursday	Friday
<i>In-Class</i>					
9:00-10:00am					
10:00-11:00am					
11:00-noon
