We will have two 150-point tests and a 200-point "comprehensive" final exam. An additional 50 points will come from 3 25-point short quizzes. The best 2 quizzes will count towards your grade. The quizzes will be based on the homework assigned during the classes and will take place on July 1, July 15 and 28.

You may use the final exam percent score to replace your lower test score. With 550 points possible, the class grade will be based on total points accumulated, with
490–550 an A, 480-489 an A⁻, 470-479 a B⁺, 430-469 a B,
420-429 a B⁻, 410-419 a C⁺, 370–409 a C, 350–369 a C⁻,
320–349 a D⁺, 300–319 a D, 280–299 a D⁻,
and 0–279 an F.
